EB DOCKET 06-36

Annual 64.2009(e) CPNI Certification for 2010 covering Calendar Year 2009

Date Filed: February 16 2010
Name of Company covered by this certification: Fones West Digital Systems, Inc.
Form 499 Filer ID: 823796
Name of Signatory: Kevin Lee
Title of Signatory: Vice President

I, Kevin Lee, certify and state that:

1. I am Vice President of Fones West Digital Systems, Inc. ("Fones West" or the "Company") and, acting as an agent of the Company, I have personal knowledge that Fones West has established operating procedures that are adequate to ensure compliance with the Commission's CPNI Rules found at 47 C.F.R. §64.2001 *et seq.*
2. Attached to this certification as Attachment A is an accompanying statement explaining how the Company's procedures ensure that the Company is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, recordkeeping and supervisory review) set forth in Section 64.2001 *et seq.* of the Commission's rules.
3. The Company has not take actions (i.e. proceedings instituted or petitions filed at either station commissions, the court system, or at the Commission) against data brokers in the past year.
4. The Company has not received customer complaints in the past year concerning unauthorized release of CPNI.

The Company represents and warrants the above certification is consistent with 47 C.F.R. §1.17 which requires truthful and accurate statements to the Commission. The Company also acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may be subject to enforcement action.

Calendar Year 2009

Fones West Digital Systems, Inc.

Statement of CPNI Procedures

Fones West Digital Systems, Inc. ("Fones West" or "Company") is a very small business (fewer than five employees). Fones West provides paging services to individuals and businesses.

Fones West does not use or disclose customer proprietary network information ("CPNI") for any purpose other than the provision and billing of its services. If the Company elects to use CPNI in a manner that requires customer approval, it will follow the applicable rules set forth in 47 CFR Subpart U, including institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

Call detail information is not provided over the telephone to customers. If a customer requests call detail information, it is sent to the e-mail or U.S. mail address of record previously provided by the customer.

Customers do not have on-line access to their CPNI. The Company does not have any retail locations and therefore does not disclose CPNI at in-store locations.

Fones West trains those employees who have access to CPNI in the importance of protecting customer data.

The Company notifies law enforcement of a breach of a customer's CPNI within seven (7) business days, and notifies customers of the breach. The Company maintains a record of all such breaches and notifications and updates the customer's record with information regarding such notifications.

The Company has not developed any information with respect to the processes pretexters are using to attempt to access CPNI or call records.
